Product Description

Neutral Cleaner is designed for daily cleaning of finished floors, walls, furniture, check-out stands, countertops, etc. It's unique detergent combination cuts through grime and holds particulate soil in suspension for easy removal. Non-flammable, non-corrosive, phosphate-free formula is safe for everyday use.

Use Directions

Neutral Cleaner is ready to use once it is diluted. LabTek's automatic proportioning unit will accurately mix product with hot water and provide consistent dilution directly into mop bucket. Mop diluted product onto floor. Allow to stand for 10 minutes. Follow with a hot water rinse to lift residue.

Areas of Use

Designed to be used as a concentrated neutral cleaner. For use on all washable surfaces. Safe enough to use on floors. Great for walls, countertops and etc. Will not soften or damage waxed or finished floors.

Neutralizes stripper and ice-melting compound residue.

Safety Precautions

Caution! May cause irritation to eyes. May cause mild irritation to skin. May cause gastrointestinal distress if swallowed. Read label and MSDS for complete list of hazards and safety precautions. Keep this product and all chemicals out of the reach of children.
